

*Thank you so much for a lovely afternoon's tea-time get-together, suitably spaced and carefully managed!*

*It was such a joy to us to be able to get out and to see dear friends in the flesh!! We did feel so special and loved. The visit lifted our spirits, and I can think of no-one better to spend our first freedom with.*

*God blessed us with the warm, sunny weather, after giving me a hint of what was to come, when all the rain in Marykirk said it was foolish to believe a little patch of blue had been sent by Him as an encouragement.*

*You blessed us with the joy of your presence, your amazing cake and your heavenly garden.*

*The birds blessed us with their songs, especially the song thrush with his rapturous solo performance! As I wrote in my *Spiritual Journal*, it was all like a glimpse of Heaven. (I agree with your text, received after writing this – the thrush's heart-warming song was a blessing from God for us all.)*

*Most of all, we were blessed with sweet fellowship and family togetherness. We love you two so much. I don't think you realise how special you are! Your warmth touches our hearts.*
